

## **DRAFT**

Waggener RUST Minutes  
November 28, 2007  
Louisville Boat Club

ATTENDEES: Linda Sorensen Ewald, Mary Pat Hankla, Elly Henderson, Heather Hurley, Pat Morgan, Martha Puckett, Marcy Suter, John Weeter, Sally Wiggins, Don Wood.

The first order of business was firming up the **reunion weekend date of June 27-29** and having the club manager put that date on his calendar. John Weeter will get a contract drawn up for us to sign.

Martha Puckett will check on her earlier mentioned guitarist's schedule to see if some of us could hear him play locally before engaging him for the Saturday night event.

### **COCKTAIL PARTY**

We have 4 alternate choices for the Friday night cocktail party: Audubon Country Club, University Club, Persimmon Ridge, or the lobby of The Kentucky Center for the Performing Arts (which Elly will try to reserve). The location must be determined by the December meeting so it can be mentioned in the first mailing to classmates.

Pat Morgan agreed to contact the other class representative about inviting their classmates to attend the cocktail party. We estimate 200-300 will attend.

Pat was asked if his son might still be available to produce a CD of 60s hit tunes to be played at the cocktail party.

### **INITIAL MAILING**

Martha got 300 stamps and 700 envelopes from the Waggener principal. Elly Henderson will purchase a stamp with her address for the envelopes. Martha will look for a wildcat stamp to use on envelope as well.

The first mailing will be sent in January. We will collate, stamp, stuff, and seal envelopes at the December meeting on Wednesday, December 19 at Linda Ewald's home. (This sounds like as much fun as the office Christmas party!)

Diane Ogle and Marcy will have the first flyer (newsy letter) ready by the December meeting. We reviewed the draft at this meeting. A wildcat would look good at the top, and the website should be added somewhere. Dates should be changed. Other particulars will be added once the cocktail party site is determined. The hotel information won't need to be on the first flyer.

Elly will type some verbiage about the Saturday morning tour of Waggener for Diane to add to the flyer.

### **CHURCHILL DOWNS**

Since Graham Cooke wasn't at the meeting, we couldn't finalize Day at the Races plans. We are still hopeful to get the 2 suites he mentioned at a previous meeting. If we don't get the suites, we can reserve tables on Millionaire's Row with buffet and cash bar. That decision should be made at the next meeting.

### **LODGINGS FOR REUNION WEEKEND**

Martha will contact 3 hotels--21C, new Marriott, Galt House--for weekend package.

### **NEXT MEETING**

ADDENDUM: Elly has reserved The Kentucky Center for the Performing Arts for the cocktail party on June 27. There will be a charge of \$275 for the lobby, but we will be able to roam all around the first floor. There will be a cash bar. We can charge a small fee to cover the cost of the rental.
