

Waggener RUST Meeting Minutes  
December 19, 2007  
Linda Sorensen Ewald's Home

ATTENDEES: Emma Borders, *Graham Cooke*, Linda Sorensen Ewald, Mary Pat Hankla, Elly Henderson, Heather Hurley, Pat Morgan, Martha Puckett, Janet Kolter Redford, Lillian Seligman, Chuck Simpson, Marcy Suter, John Weeter, Sally Wiggins.

The beginning of the meeting was spent collating the first mailer: folding, stuffing, stamping, and sealing. Since so many committee members were present, this task was rapidly completed. This reunion information sheet will be sent early in January. As we worked, tasty hors d'oeuvres prepared by the hostess were enjoyed by all. Linda also made cocktail sandwiches that accompanied Heather's hearty salad. There was little left of Elly's fabulous cheesecake dessert.

**GOLF CHALLENGE – FRIDAY, JUNE 27**

There is a great deal of interest in this event since other classes will be included. There was discussion about the difference in a "scramble" and a "shamble"—which one would be more fun—as well as the cost of this event. There was discussion about a separate cost for golf and lunch in case people cannot stay to eat. Pat suggested forming a golf committee to firm up the details. That committee consists of: Pat, Diane, Graham, Marcy, and David Koch.

**COCKTAIL PARTY – FRIDAY, JUNE 27**

We are grateful to Elly, who was able to reserve The Kentucky Center for the Performing Arts for the Friday night cocktail party. The first 5 Waggener classes will be invited to this event. Specifics for snacks will be discussed at a later meeting. There will be a cash bar and a donation jar to supplement the cost of this event (\$250).

Pat Morgan has contacted the other class representatives about inviting their classmates to attend the cocktail party. It will be their responsibility to contact their classmates. Number of attendees will be hard to estimate for this event. We could have 200-300 guests.

Pat needs the song titles and artists by mid-March for special requests so he can create a CD of 60s hit tunes to be played during the cocktail party.

## **TOUR OF WAGGENER – SATURDAY, JUNE 28**

Principal, Candy Conway, will provide coffee and doughnuts. Lillian Seligman offered to stop by Waggener and look for the trophy case we were told was purchased with the money we donated after the reunion in 2003. A donation jar should be available at this event.

## **BUFFET DINNER AT LOUISVILLE BOAT CLUB – SATURDAY, JUNE 28**

Martha Puckett brought a sample tape of music by the guitarist she has suggested for our entertainment at the Saturday night event at LBC. It was decided that Phil Kelley would be asked to play for 3 hours (at \$150/hour) from 8:00-11:00.

A menu was passed around for review. The buffet selection and cost should be close to what it was 5 years ago. A donation jar should be available at this event.

## **CHURCHILL DOWNS – SUNDAY, JUNE 29**

Graham Cooke assured us that he can obtain 2 suites to accommodate 50-75 people. We will need a cut-off number for this event. A donation jar should be available at this event.

## **SECOND MAILING**

Diane and Marcy will be working on the second mailing which will be the registration sheet. This will include prices for some events. The class information sheet and list of the lost classmates will be included so it can be returned with their registration sheet. This mailing should be sent early in March. Firm costs of events **MUST BE DETERMINED** at the January meeting so they may be included in this second mailing.

## **OTHER BUSINESS**

Because recent expenses (stamp pads, paper, envelopes, etc.) have reduced our bank balance, committee members were asked to pre-pay part of their registration fee (\$50/person) to replenish the balance. Eleven classmates gave Elly checks at this meeting.

Sally Wiggins will explore the possibility of all attending '63 graduates becoming Kentucky Colonels.

## **LODGINGS FOR REUNION WEEKEND**

Emma got a rate of \$169 at “21 C” on Main Street, but they requested no mention of other hotels. They will hold a block of 10 rooms with no financial obligation.
